Directions

CGIT sellers, leaders, committee, etc...

1. Make a master copy of all your sales, tabulating each category for final numbers.
Make a copy again of this sheet so you have a copy for your reference plus one for the head of the committee accepting your order and payment.
2. Do not send individual orders to Crerar's or your committee head. You need to make your master and balance all orders to your final numbers.
3. Orders are triple checked at Crerar's for quantities per item. If for some reason an error occurs, please contact Janet at Crerar's 613-821-2133.
4. Sometimes a brief period of a back order may take place. This will always be indicated by phone or hard copy, or email to the seller and a projected delivery date for that item will be offered.
5. If you are sending a preferred time and date of delivery to the committee Crerar's will try to accommodate, within reason, all requests.
6. Our website may answer questions your buyers may have with regards to both our honey and other products listed on the website crerarshoney.com.
7. **PLEASE KEEP ALL HONEY BUTTERS REFRIGERATED UNTIL DELIVERY** - this product does contain real dairy butter!
