

## **Kalalla at Home** **July 19 - 26, 2020**

### **What is Kalalla at Home?**

Since we can't be together at camp, we thought we'd bring a touch of Kalalla to the city. Each day, we will meet online, via Google Meet, for about 30 - 45 minutes for a favourite camp activity. We will meet at 7 pm weekdays and earlier in the day on the weekends for a camp-wide activity.

Female campers ages 7 to 16 will be placed in units and will have an additional unit time each day to meet online for a more informal sharing. This time will be led by two counsellors and timing will be announced by unit in early July.

### **Favourite Activities:**

Campfire

Yoga

Craft

DT

Talent Show

Giant tent time

Sing song

Closing vespers

Moustache Monday

Team Tuesday

Wacky Wednesday

Pirate Thursday

Fall Asleep Friday

Superhero Saturday

### **Who can register?**

We hope that all campers, staff, former staff, and friends of Kalalla will join us online. Our camper age limit has been changed to include those 7 to 107. Let's all share in the joy of being a camper this summer! We invite everyone in the family to register for this camp and we encourage you to invite family and friends who have not yet attended camp but may be interested in attending in future years. While the camp-wide activities have been designed for girls ages 7 to 16, all family members are welcome to join us. This is a great chance for moms, dads, brothers, and younger siblings to enjoy the Kalalla experience. We will ask that daily unit time be limited to female participants ages 7 to 16.

### **Registration Information:**

**~Registration period is June 1 to June 19, 2020~**

A printable registration form is attached and a fillable PDF version is available at [www.kalalla.com](http://www.kalalla.com). We have a short registration period this summer and would appreciate an online registration submission. If needed, hard copies can be mailed to the address on the registration form but please be in contact with the registrar ([registrar@kalalla.com](mailto:registrar@kalalla.com) or 613-867-1823) before mailing the form.

There are two registration options:

- Option 1 includes all of the online programming plus a camper package of a t-shirt (youth and adult sizes) and program supplies. \*\*This package must be picked up at one of three locations in the city before camp begins. More information will follow for participants who choose this option.
- Option 2 includes all of the online programming but no t-shirt or program supplies.

We would ask that each girl aged 7 to 16 in your family who would like to participate register for option 1 or 2. Moms, dads, brothers, and younger siblings are also welcome to register for option 1 if they'd like the camper package or are welcome to join in at no cost if they prefer not to have the t-shirt and materials. Camperships continue to be available for families in need of financial support. Please contact the registrar ([registrar@kalalla.com](mailto:registrar@kalalla.com) or 613-867-1823) for more information.

**Website:**

Please keep an eye on the website [www.kalalla.com](http://www.kalalla.com) in July. We will have a tab especially for Kalalla at Home and you will find additional resources.

**Online Code of Conduct:**

Please take special note of the online code of conduct on the registration form. Please be mindful of your surroundings when setting up your computer and camera. Participants should keep their microphones on mute when they are not speaking and are welcome to turn off their camera when desired.

**LITs:**

While we are unable to run a typical LIT program this summer, we are making every effort to find a way to deliver the program during the 2020-2021 school year. More information will follow for those eligible.

**Donations:**

Camp Kalalla has been in operation since 1949 at our current site. In that time, there have been some lean years, as this one will be, but we are confident that by pulling together we can survive the loss of this camping season. Even though there is no traditional camp, operational costs still exist for the Kalalla site. Normally these are covered by our onsite camp program as well as property rentals. With our own onsite camp program being cancelled and our rentals also (understandably) cancelled, we are operating at a deficit this summer. Unfortunately, at the time of composing this letter, we fall between the cracks for relief funding. The online camp we are offering this summer will not cover our costs so we welcome (and need!) any donations you are able to make to help with site maintenance and insurance. Donations can be made on the registration form or via e-transfer. More information is available on our website ([www.kalalla.com/donations/](http://www.kalalla.com/donations/)). Income tax receipts are available for donations \$10 and over.

We are disappointed to not be together at camp this summer but hope you'll join us in this new virtual adventure! We hope to see you for Kalalla at Home!

Yours in camping,  
Camp Kalalla staff
