

Welcome to Kalalla at Home!

We are so pleased you could join us for this summer's version of camp. We are all disappointed not to be at our beautiful camp but being together, even virtually, is a wonderful thing. We will meet twice daily - once as a unit and once for evening program. These evening programs will give us a small part of our usual, amazing camp experience.

Getting Ready for Google Meets

All of our meetings will happen via Google Meet. Please be mindful of your surroundings when setting up your computer and camera as all participants will be able to see your background. During evening program, participants should keep their microphones on mute when they are not speaking. It is much easier to chat freely in smaller groups so daily unit times have been set up for a more informal session. Two counsellors will be present at each unit time.

A second email will arrive Sunday, July 19 with the Google Meet links. The meeting links will be accessible 10 minutes before the start time of unit times and evening program. Google Meet has an add-on that allows the viewer to see all participants. If you are interested, please visit

PHOTOGRAPHS: **No participant may screenshot, photograph, or record in any way any online camp activity. Camp Kalalla will not use screenshots, photographs, or recordings of any online camp activities for the summer of 2020.

Campfire

Our traditional opening night campfire will be a little different this year but still super fun! We'll have a song leader and the rest of us will sing along at home but we'll need to keep our mics on mute. Please feel free to respond to this email with a favourite song request or two.

Yoga

Dress in comfy clothes and have a mat or towel to sit on. SD will lead us through one of our favourite relaxing camp activities.

Crafts

Cat is planning a craft that uses common household items. We can pretend we're sitting in the Craft Lodge being creative and having a good laugh.

Discovery Time

Come join Blondie for a chance to connect and enjoy a virtual DT together. We can pretend we're on Vesper Hill at the picnic tables listening to the birds and the breeze! And of course there will be a story!

Giant Tent Time

Change into your comfiest pj's a little early and grab your cuddliest blanket. We'll listen to some great stories.

Talent Show

Introducing Kalalla's first online talent show! A week of camp is incomplete without a showcase of the awesome talents of our women and girls. Bring on your singing, your dancing, your yo-yo skills, or whatever YOU are proud of! On the day of the talent show, we will gather to watch the performances together with some silly bits in between.

If you'd like to participate, please send a 1 - 3 minute video to laurajarecsni@hotmail.com by **Sunday, June 19th at 10pm**. If you are unable to send a clip due to its size, I suggest uploading it to Google Drive and then sharing the link by email.

Some guidelines to follow:

- clips should be between 1 and 3 minutes long
- clips should reflect the expectations of camp (appropriate language and message, kindness)
- during the talent show, be sure to show others support and be as enthusiastic as you would during a typical talent show!

Sing song

Another great chance for us to enjoy our favourite songs.

Closing Vespers

Chipper is preparing a special end of camp celebration for us. This will be our chance to say goodbye and see you next summer.

~Look to this day for it is life, the very life of life.~

Yours in camping,
The Kalalla at Home Team
