*A sound bath is a relaxing and meditative experience- arriving late will disturb the experience for everyone. We will need to close the doors 5 minutes before the start of the sound bath (10:55 and 3:55) to make sure everyone is ready to begin on time. Unfortunately late arrivals cannot be admitted, and we will not be able to refund your money.

**Please indicate if you are bringing children ages 4 and up for supervised activities.
Only one person per party is required to fill this section out.**

Cancellation Policy: Cancellations must be done 24 hours prior to your booking in order to receive a full refund.

Covid Protocol: Participants must bring their own props for the sound bath (mats, blankets and pillows, etc.). We do provide eye pillows that are washed between sessions. Mats will be spaced six feet apart to ensure maximum safety during your experience. If you develop symptoms the morning of your booking, please do not come. Contact campkalalla@gmail.com before 10 am to discuss a refund.

Masks: Here at Camp Kalalla, we are a mask friendly environment. We ask that when you enter the hall in which the sound bath takes place, you wear a mask while moving around. Once you are seated, you are welcome to take off your mask. If you are registering your children for supervised activities, please ensure they have a mask on hand in the case of bad weather where they will be participating in activities indoors.

I hereby agree to all the above mentioned terms and conditions outlined in this document.
