

## Help Rebuild the Heart of Camp Kalalla!

Every summer, our large camp deck-- the heart of our Main Lodge and Dining Hall-- comes alive with laughter, friendship, and countless memories. But years of faithful use are starting to take their toll, and now our beloved deck needs restoration to ensure future generations of campers can enjoy the laughter and learning that happens on this beautiful deck.

We are reaching out to our generous community to help raise the \$20,000 needed to restore the deck and keep this cherished hub the heart of camp life.

Your support will directly contribute to restoring Kalalla's beautiful deck. Even a small donation will make difference. If you would like to contribute, please choose an option below or contact us at [treasurer@kalalla.com](mailto:treasurer@kalalla.com).

We will also be holding several events this year to fundraise for the deck. Please join us for a Christmas Carol Sing Song on December 22nd featuring piano accompanist Matthew O'Halloran! [Instagram: @matthew.ohalloran]
